Dear **Reader**,

Elections for the 2010 Board of Directors is right around the corner!

Elections General Information:

At the September GMM you will have a chance to **nominate** fellow Jaycees for the 2010 Board of Directors.

Being **NOMINATED** does **NOT** mean that person has to run...it just means that they qualify for the position and that you think they would be an excellent candidate for the position.

Positions that are eligible for nomination and that will be **elected at the October GMM:**

President (must have served two full years as a voting member of the board; one of which was as a vice president).

Vice President (must have served at least one full year as a voting member of the board).

Directors (must have been a member for at least 12 months and chaired a project).

Once someone decides to run for a position, they must fill out a Statement of Candidacy and obtain signatures showing that there are members who support that candidacy. These will be available at the upcoming GMM.

There will be a **POTS (Potential Officer Training School)** on September 15, 2009 at 6:30pm at the Jaycee office. This is open to anyone who wants more information about the variety of positions that are available on the 2010 Board of Directors. Anyone who is nominated for a position is encouraged to attend as well.

For more information on POTS please contact Sarah Laster: lastersarah@yahoo.com
